

My Hair. My Style. My Right.

Note Catcher

In this lesson, students will reflect on how their hair relates to their culture and self-perception. Then they will collect and share their own favorite styles.

ICEBREAKER / HOOK

Name 3 words that come to your mind when you think of your hair.

1.

2.

3.

If you could think of a simile to describe your hair what would it be? A simile is a comparison using the words like or as.

For example: My hair is as strong as rope made of iron.
